

Sun Protection Policy

EYPS key themes and commitments

A Unique Child	Positive Relationships	Enabling Environments	Learning and Development
1.1 Child Development 1.2 Inclusive Practice 1.3 Keeping safe 1.4 Health and well-being	2.1 Respecting each other 2.2 Parents as partners	3.2 Supporting every child 3.3 The learning environment 3.4 The wider context	4.4 Areas of learning & personal & emotional development

Our Aims:

The damaging effects of exposure to the sun on young skin have recently been well documented. Layer-Pre-School will do everything they can, to work in partnership with you, to ensure that your child is protected.

We will need you to provide:

- Sun Cream suitable for your child (high factor) preferably applied before your child arrives in the morning.
- Sun hat (preferably a legionnaire's hat to protect the neck)
- A thin top/cardigan/t-shirt with long sleeves

Pre-school will ensure that your child uses sun cream and wears a hat. We will also avoid spending prolonged periods of time outdoors during the hottest part of the day, and when out will try and protect your child by finding shady areas. We will have fresh water on offer at all times and will encourage your child to drink water regularly to prevent dehydration.

This policy was adopted at a meeting of	Layer Pre School
