

Layer Preschool

Parent Declaration Form

Please read, sign and return to info@layerpreschool.co.uk before preschool opens on 8th June.

Parent Name:

Child's Name:

Please read all statements and sign below to confirm your acceptance:

- I confirm that my child will not be attending another childcare setting.
- I understand that my child will be allocated into a group of children with one staff member called a bubble. I understand that my child will have close contact during their play with all their friends within their bubble and that if they attend more than one day, their bubble of friends will be different friends on different days.
- I understand that whilst Layer Preschool will teach and encourage social distancing between bubbles, that Layer Preschool cannot guarantee that my child will socially distance from any of their friends in a different bubble or any staff member.
- I confirm that if myself, my child or anyone in our household has any symptoms of COVID-19 that we will not attend the setting and will isolate as per the government guidelines.
- I understand that if the staff feel my child is showing any symptoms during their time at preschool such as a temperature or continuous cough, that they will be cared for and I will be telephoned to come and collect them immediately.
- I confirm I understand the reduced opening hours of the preschool and that these will be reviewed weekly. I confirm that if I need to increase sessions, I will give at least one week's notice, preferably two weeks.
- I understand that my child will wash their hands regularly throughout the day upon instruction from the staff. They will have lots of fun teaching ways to be encouraged.
- I give permission for staff to use alcohol hand sanitiser on my child throughout the day.
- I confirm that I will apply suitable all day lasting sun cream to my child before they enter preschool to protect them during their outdoor play.

- I confirm that only one parent will drop off and collect and that I will socially distance from other adults outside the setting using the helpful markers in place.
- I confirm that to help prevent the spread of germs between preschool and home that my child will not bring in to the setting any toys from home or any comforter/blanket.
- I am happy for my child to have regular walks into the woods, around the village or onto the recreation field (no access to the play equipment).

I accept and understand the above conditions.

Signed:

Date:

We understand that returning to preschool could be unsettling for the children, their play areas won't look exactly the same as they are used to and not all of their friends may be with them. Their favourite toy or equipment may not be available during the current restrictions. They may also be with different staff members than they are used to instead of their usual keyworker. But preschool will still be the fun place they love and we are sure they will adapt very quickly to the changes. It would be beneficial if you talk through these changes with your child so they have some understanding before they arrive.

Please be assured that we will continue to care for and comfort your child as much as they need us but we do need to advise you that staff are instructed to keep contact to a minimum as much as possible.

Is there anything about your child's development, behaviour or wellbeing during the lockdown period that you think may be beneficial for us to know to be able to support them in their return?

Yes (please detail below)

No
